HUSSMANN®

ICE Range

# MJPE216 Drinks

Multi-Jet Medium Temperature Cabinet with Enhanced
Energy Efficiency and Versatility

"Warmer Aisles Happier Customers"

MJPE216 Drinks

Features

The MJPE216 Multi-Jet offers greatly reduced energy consumption compared to traditional open-face multi-deck cabinets.

The technically advanced multi-channel and multi-velocity air curtain ensures merchandise is isolated from the ambient store temperature. This ensures product temperatures are at their optimum and shelf-life is extended.

This Multi-Jet design also greatly reduces the amount of cold aisle - "Warmer Aisles Happier Customers".

Temperature Class

3M1

Benefits

- Increased sales with optional shelving
- Extended product life with effective refrigeration
- Energy cost reduction through advanced cabinet design
